

**Original Title:** Mga Gabing Kasinghaba Ng Hair Ko

**International Title:** Those Long Haired Nights

**Logline:** A story of three transgenders trying to find love, family and money in the chaotic red light district of Manila. Inspired by real people and events.

**Synopsis:**

In Burgos, the red light district of Manila, three transgenders are the best of friends; working as masseuses offering sexual services for their clientele. The youngest of them, Tuesday, is a hopeless romantic looking for love in all the wrong places. The wise one, Amanda, returns home to her province to attend the christening of her ex-girlfriend's son. The brave one, Barbie, looks to make more money through drug deals for a Korean client. As all three of them chase their dreams, it is anything but a normal night in the chaos of Burgos.
