Three little birds, a symphony of frogs, and a first flight unlike any other.

SYNOPSIS EN

Three baby birds, one big challenge—their first flight! But as the frogs begin their peculiar performance, the sky turns into a whirlwind of improvisation—some birds twirl, some hover, and others just hope for the best.

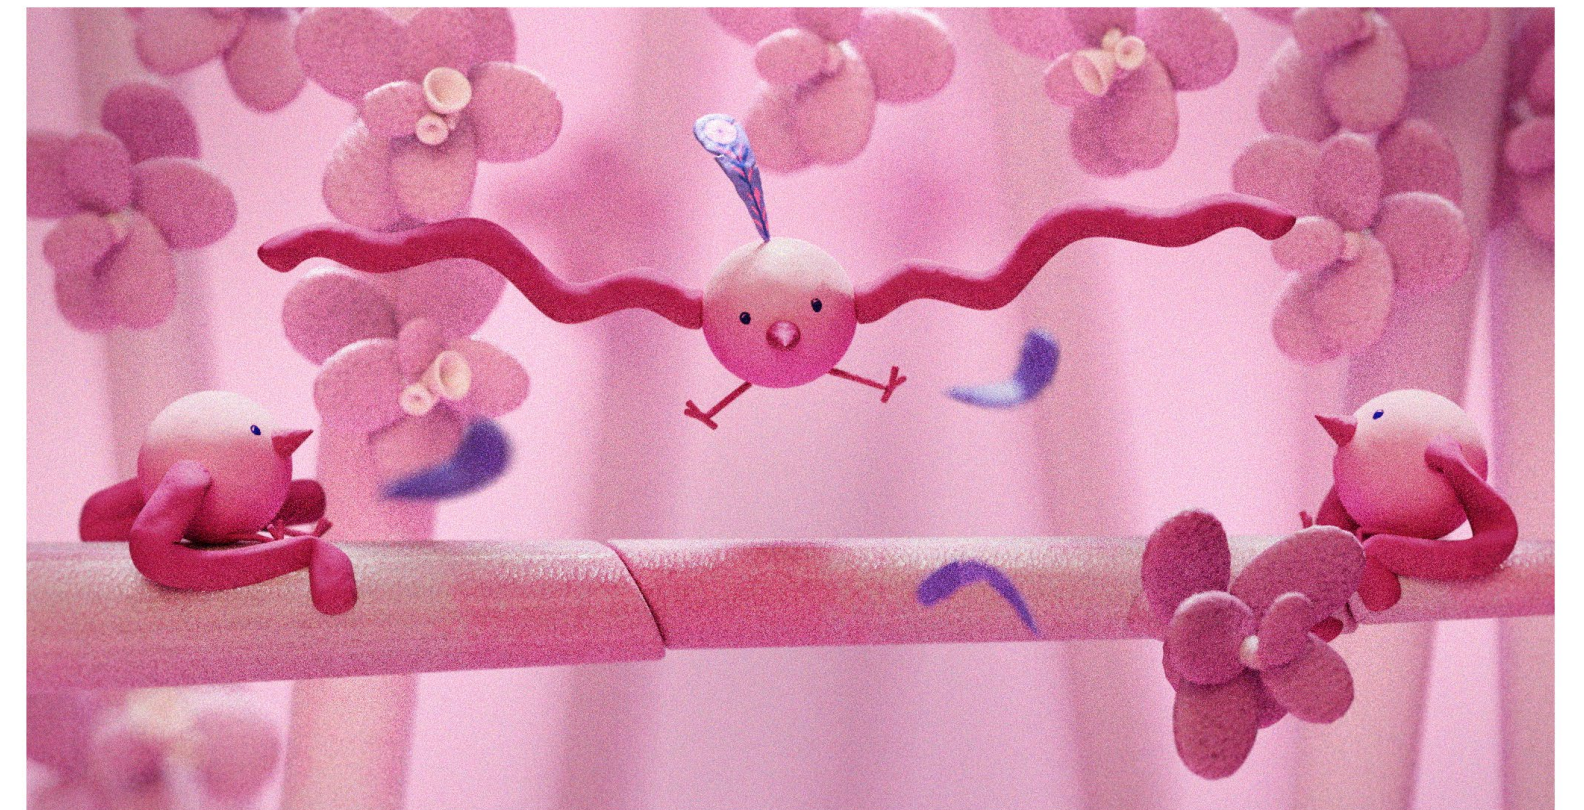

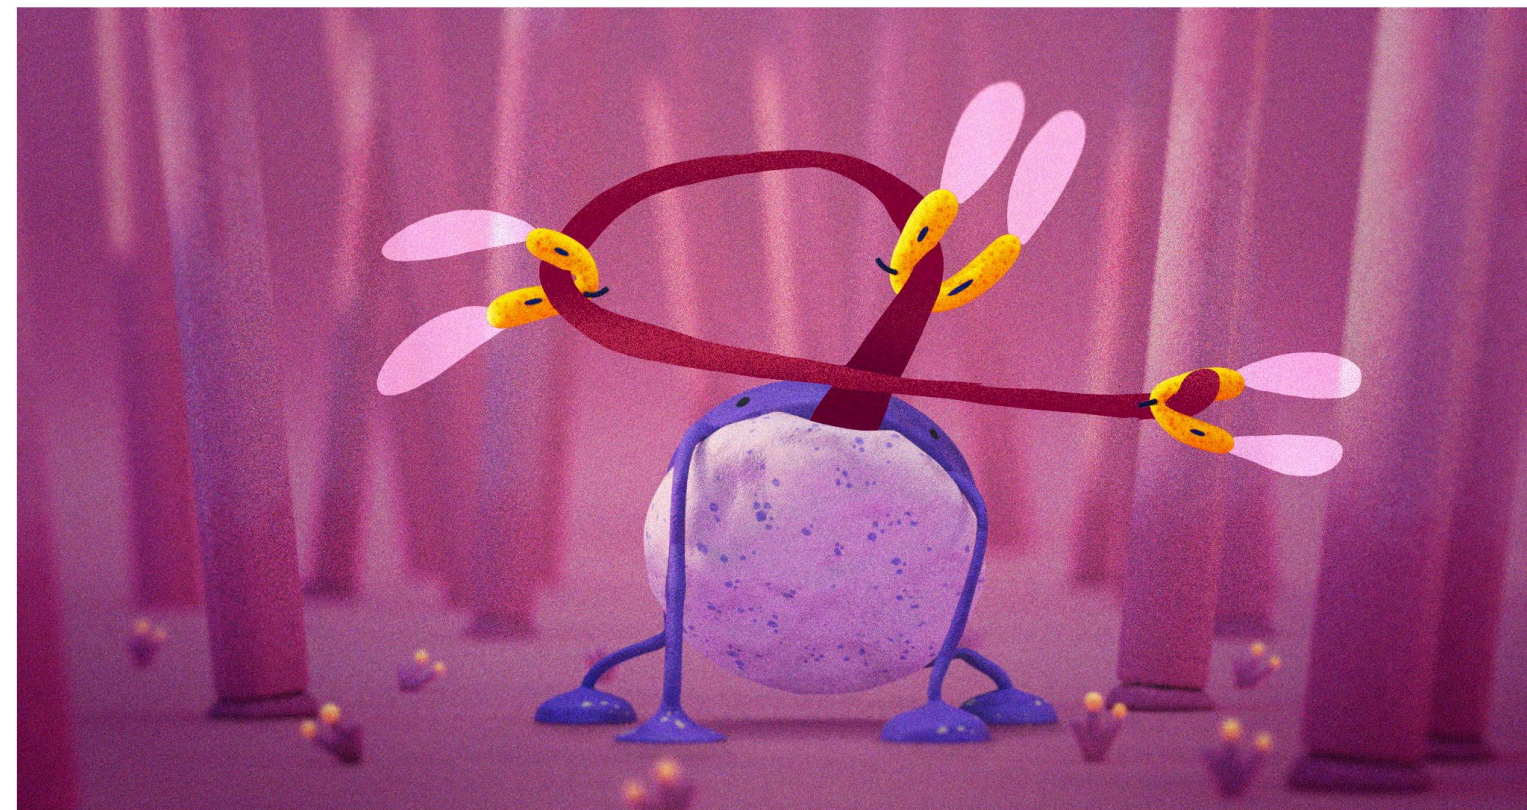

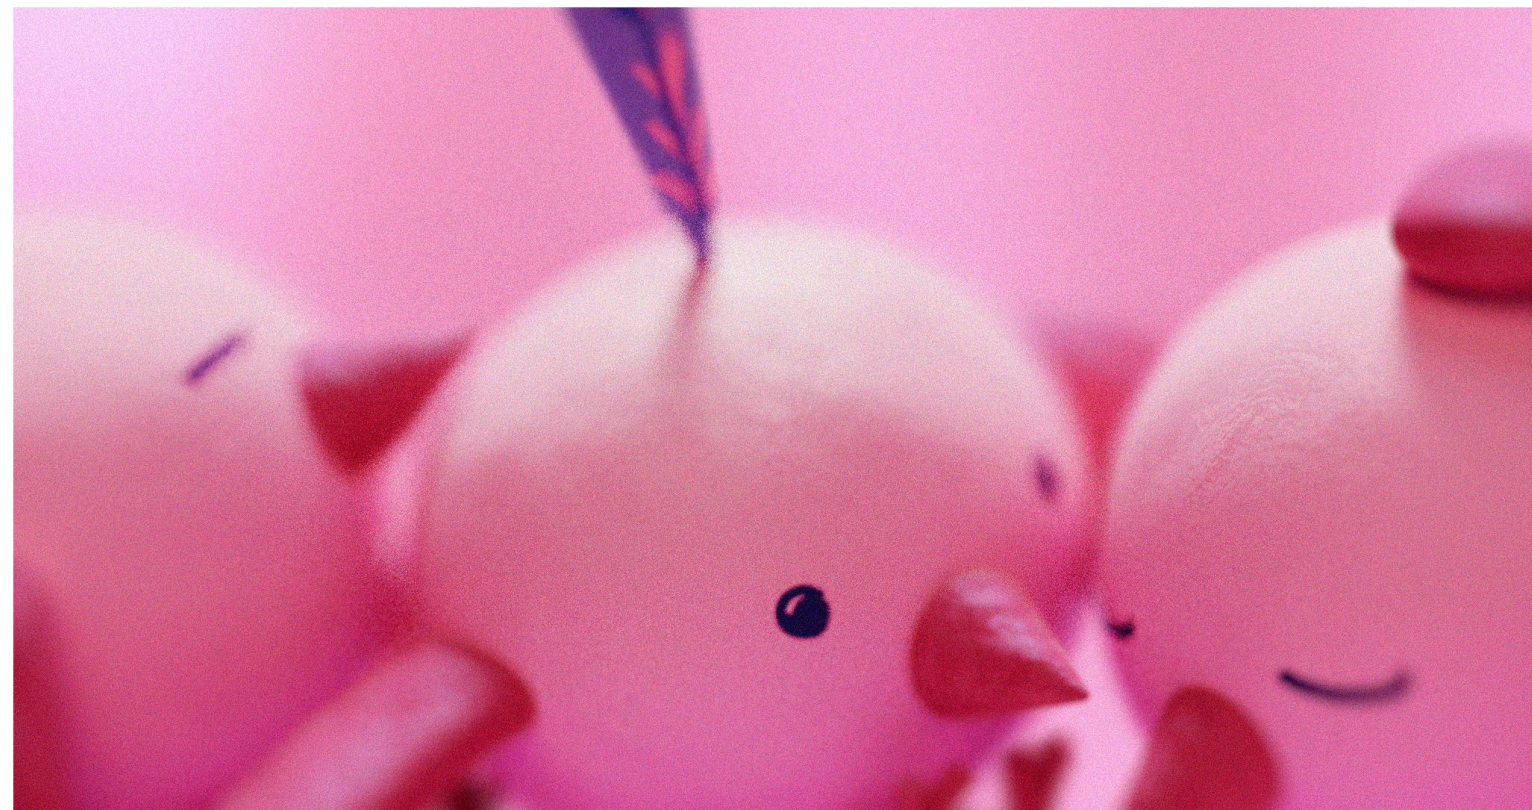

SYNOPSIS DE

Drei junge Vögel, eine große Herausforderung – ihr erster Flug! Doch als die Frösche ihr eigenartiges Konzert beginnen, wird der Himmel zu einem Wirbelwind der Improvisation – einige Vögel wirbeln wie Rotoren, andere segeln davon, und wieder andere hoffen einfach auf das Beste.

DIRECTOR'S STATEMENTS

"Getting good at something new isn't just about skill—it's about how you handle the ups and downs. Do you jump in headfirst? Do you hesitate? Do you wait for the right moment? First Flight plays with those different ways of learning, but in the end, it's not about how fast you take off. It's about the journey—and the people who've got your back."

"I wanted to capture the mix of excitement and chaos that comes with trying something new. Learning isn't always graceful—it's trial, error, and lucky breaks. First Flight is a playful reminder that no one gets it right immediately, but the fun is in figuring it out."
